FAQ

Helpful Answers for Your Sofa Care

1

How long does the sofa take to fully expand?

Please allow up to 72 hours for the sofa to fully regain its natural shape and comfort.

2

Can I sit on the sofa immediately after unpacking?

You may use the sofa after unpacking, but allowing moretime for expansion will help it reach its best shape and comfort.

3

What if the sofa looks uneven after unpacking?

This is normal after compression. Gently pat and reshape the cushions to help them recover faster.

4

Are wrinkles or creases normal?

Minor wrinkles may appear after compression and will gradually smooth out as the sofa expands.

5

Is a slight odor normal?

A slight new-product odor may occur after unpacking,Keep the room well ventilated and it should gradually fade.

6

How should I clean my sofa?

Vacuum regularly and spot clean gently. For removable covers, follow the care label instructions.
