

Compression Sofa

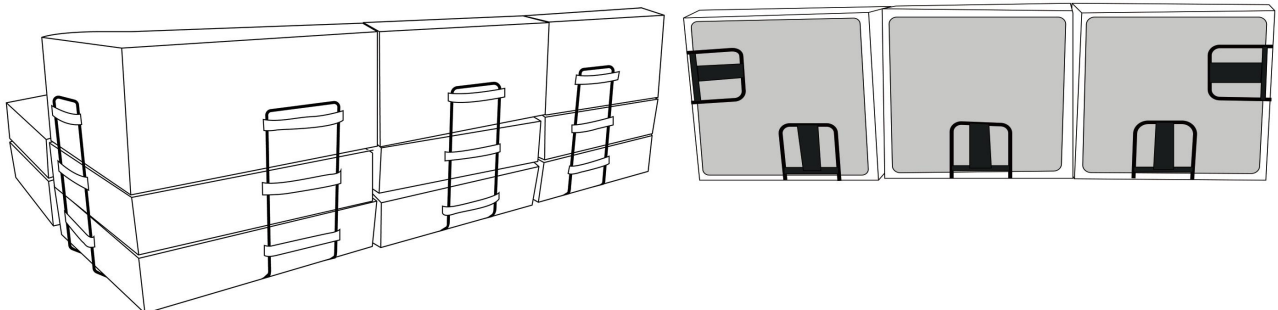

Thank you for purchasing the compressed sofa! To help you fully experience the comfort and functionality of the sofa, please follow these steps to help it regain its original shape after unboxing:

1. Pat the Sofa: Gently pat the sofa on each side a few times to help it regain shape. Start by patting one side, then repeat on the other side.
2. Flip the Sofa: Turn the sofa over and repeat the patting process to ensure every side is evenly treated.
3. Get the hardware bracket ready: Remove the packaging from the metal bracket.
4. Fixing the sofa: Insert the hardware bracket into the fabric sleeve at the back of the seat.
5. Place the back pillow on top of the seat cushion.

Notice:

Allow 72 hours for complete decompression after opening the package before use
