Before Unpacking

- Inspect all cartons and components for visible shipping damage before opening the compressed package.
- Open the product in a clean, clear area away from sharp objects, heat sources and open flames.

2. UNPACKING

⚠ WARNING - SUFFOCATION HAZARD

Plastic bags can be dangerous. Keep all plastic packaging away from babies and children. Do not allow children to play with plastic bags. Immediately dispose of all plastic packaging after unpacking.

⚠ CAUTION - OPEN WITH EXTREME CARE

When using scissors to open the plastic packaging, **DO NOT** insert the scissors deeply into the package. Keep scissors and other sharp tools away from the sofa fabric. **Cut ONLY** the outer plastic layer slowly and carefully to avoid cutting, puncturing or otherwise damaging the upholstery.

STEP 1 - REMOVE THE COMPRESSED MODULE

Remove the compressed sofa module from the carton and place it on a clean floor.

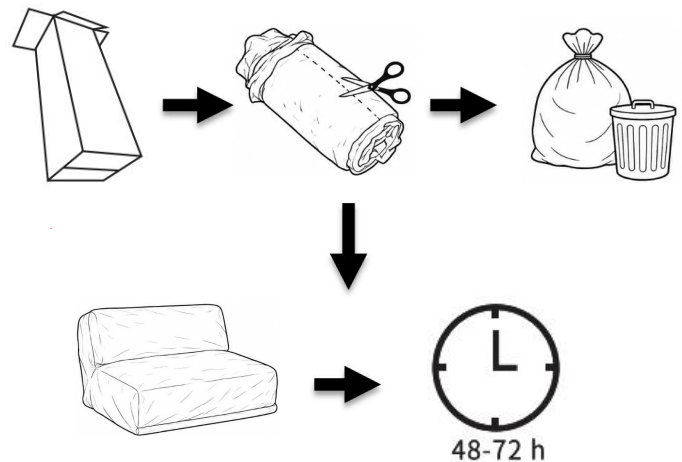

STEP 2 - CUT ONLY THE OUTER PLASTIC

Carefully make a small opening in the outer plastic layer, then slowly cut along the plastic while keeping the scissors away from the upholstery.

STEP 3 - REMOVE AND DISPOSE OF PLASTIC

Remove all plastic packaging.

Dispose of it immediately and keep it away from children.

3. EXPANSION & SETUP

STEP 4 - ALLOW 48-72 HOURS TO EXPAND

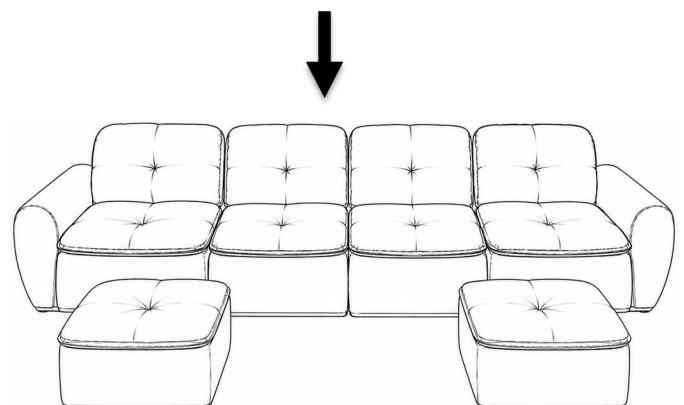

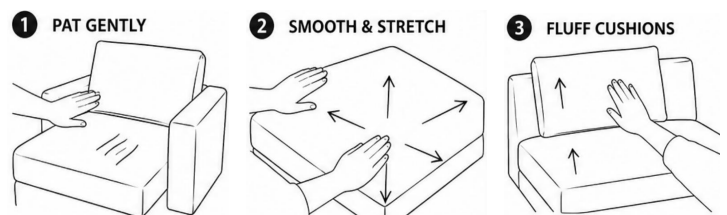

Allow 48-72 hours for each compressed sofa module to fully expand and recover its intended shape. Expansion time may vary with room temperature and compression conditions.

STEP 5 - RESHAPE BY HAND

After expansion, gently smooth the upholstery and reshape the cushions by hand. Temporary wrinkles or uneven areas caused by compression should gradually diminish.

STEP 6 - ARRANGE THE SIX MODULES

Arrange the Left-Arm Chair, Right-Arm Chair, two Armless Chairs and two Ottomans in the desired configuration. The ottomans may be positioned as shown or rearranged as needed. Make sure all modules sit flat and stable before use.

⚠ GENERAL USE SAFETY

Allow the sofa modules to fully expand and make sure they are stable before use.

- Use the sofa **ONLY** as intended. Sit **ONLY** on the seat cushions. **DO NOT** sit, stand, climb or place excessive weight on the armrests or backrests.
- **INDOOR USE ONLY.** This sofa is designed for indoor residential use only. **DO NOT** use it outdoors or expose it to rain, moisture or prolonged direct sunlight.
- **FIRE HAZARD.** Keep the sofa away from open flames, sparks, cigarettes, heaters and other high-heat sources. **DO NOT** smoke while sitting, reclining or lying on the sofa.
- Do not allow children to climb, jump or play on the backrests or armrests.
- Use the ottomans only on a flat, level surface. **DO NOT** stand, jump or climb on the ottomans.

4. CARE & MAINTENANCE

- Vacuum the upholstery regularly using a soft upholstery attachment.
- Blot spills promptly with a clean, dry cloth. Do not rub aggressively.
- Do not use bleach, harsh chemicals or abrasive cleaners unless specifically approved for the upholstery material.
- Indoor use only. Keep the sofa dry and protected from rain, excessive moisture and outdoor conditions.
- Avoid prolonged exposure to direct sunlight and excessive heat.
