⚠ IMPORTANT SAFETY INFORMATION

Read all instructions before assembly and use. Keep this manual for future reference.

- This table is **HEAVY**. Two or more adults are required for unpacking, lifting, turning and assembly.
- Keep children and pets away from the assembly area.
- **DO NOT** stand, sit or climb on the tabletop or rotating top.
- Use the table indoors only, on a flat and level floor.
- **DO NOT** use the product if any part or hardware is damaged, loose or missing.

1. COMPONENTS & PACKING

This product is supplied in three cartons. Verify all components before assembly.

PICTURES	Component	Qty.
	Main Sintered Stone Tabletop	1
	Pre-Assembled Rotating Sintered Stone Top (Pre-installed and Fixed with Adhesive) DO NOT DISASSEMBLE	1 set
	Pedestal Base (With Top Circular Frame & Cross-Tube Support)	1
	Mounting Hardware (Spare parts included)	1 set

2. BEFORE ASSEMBLY

- Inspect **ALL** three cartons for visible shipping damage before opening.
- Open the cartons in a clean, clear area. Protect all sintered stone surfaces from scratches and impact.
- The rotating sintered stone top and Ø 600 mm rotating hardware are factory pre-assembled, centered and bonded with adhesive. **DO NOT** separate or disassemble them.
- **CONFIRM** that the hardware pack is present before discarding any packaging.
- Use two or more adults to move the tabletops and pedestal base.
- **DO NOT** drag the tabletop or pedestal across the floor.

NOTE:

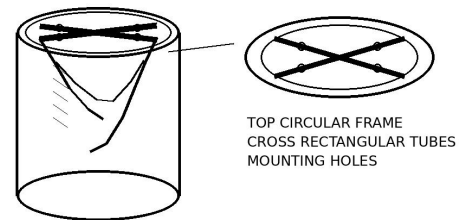

Illustrations are for assembly reference.

Follow the actual product and hardware supplied.

3. ASSEMBLY

STEP 1 - POSITION THE PEDESTAL BASE

Place the pedestal base upright on a flat, protected floor. Identify the top circular steel frame, the two intersecting rectangular-tube supports, and the mounting holes shown in the enlarged detail.

STEP 2 - INSTALL THE MAIN TABLETOP

With **TWO or MORE** adults, carefully lower the main tabletop onto the pedestal base. Align the tabletop mounting holes with the corresponding holes in the rectangular-tube support frame. Install the supplied bolts and tighten evenly. **DO NOT** overtighten.

STEP 3 - PLACE THE PRE-ASSEMBLED ROTATING TOP

The rotating sintered stone top and Ø 600 mm rotating hardware are factory pre-assembled as one complete unit. They have been centered and bonded with adhesive at the factory.

Remove the complete pre-assembled unit from its carton and carefully place it, **AS ONE PIECE**, onto the center of the main tabletop.

IMPORTANT:

DO NOT separate, pry apart, loosen or disassemble the rotating stone top from the rotating hardware.

IMPORTANT - FACTORY PRE-ASSEMBLED PART

The rotating stone top and rotating hardware are supplied as a bonded, factory pre-assembled unit.

DO NOT attempt to remove the rotating hardware from the stone top.

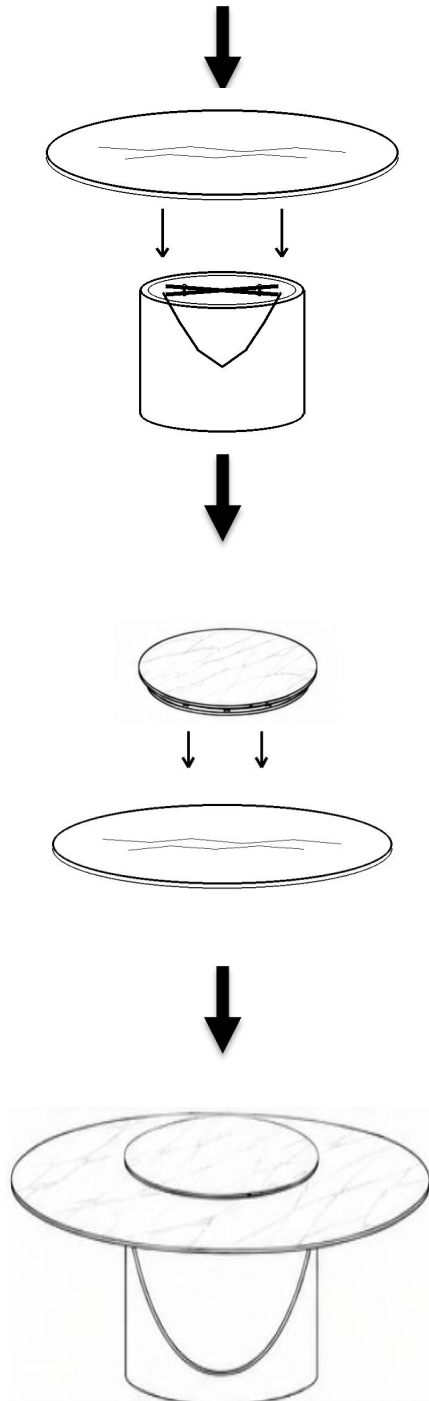

Separation may damage the product and affect proper rotation.

STEP 4 - FINAL CHECK

Confirm that the table is stable and the pre-assembled rotating top is centered on the main tabletop.

Rotate the top slowly by hand to confirm smooth movement and proper clearance.

Keep fingers clear of the gap between the rotating top and the main tabletop while rotating or adjusting it.

4. GENERAL USE SAFETY

- Use the table **ONLY** for its intended indoor residential purpose.
- **DO NOT** stand, sit, climb or allow children to play on the tabletop or rotating top.
- Keep hands and fingers clear of the rotating hardware and the gap around the rotating top. Do not separate or disassemble the factory-bonded rotating top assembly.
- **DO NOT** place excessive or highly unbalanced loads on the edge of either tabletop.
- Keep the table away from open flames, high-heat sources and prolonged direct sunlight.
- Periodically inspect all fasteners and hardware. Tighten if necessary. Stop using the table if it becomes unstable.

5. CARE & MAINTENANCE

- Clean sintered stone surfaces with a soft, damp cloth and dry promptly.
- **DO NOT** use abrasive pads or harsh chemicals.
- Wipe spills promptly. Avoid striking the tabletop edges with hard or heavy objects.
- Clean the metal pedestal with a soft cloth. **DO NOT** use steel wool or abrasive cleaners.
- Lift the table when moving it. **DO NOT** drag it across the floor.
